Subject: Thank you again for your recent, generous contribution supporting people living with HIV/AIDS in Florida

Dear Pier,

On behalf of everyone at AIDS Healthcare Foundation including the 130,000 clients in our care worldwide, I want to take this opportunity to personally thank you for your recent, generous contribution of $500 to Florida AIDS Walk. During these challenging economic times, we truly appreciate your support. We honestly couldn't accomplish all that we do for those men, women and children living with HIV and AIDS here in the U.S. and across the globe without the help of friends in the community like you. Many, many thanks!

If you should have any questions about our programs and services, please do not hesitate to contact me by phone (323.860.5294) or email (david.coscia@aidshealth.org). Otherwise, I do hope to have the chance to meet you in Fort Lauderdale on Sunday, March 28 for this year's Florida AIDS Walk.

Again, my sincere appreciation for the generosity of your donation.

Sincerely,

David Coscia
