Dear Ms. Milano

On behalf of all the children that we serve, I want to thank you for your \$500.00 gift received on 11/10/2006 to Kids In Distress. The outpouring of support our community continues to give to our children is extraordinary. Please know how grateful we are.

This donation allows us to make a positive and powerful difference in the lives of these children. Our mission is to guard them from abuse and shield them from neglect, and to provide for them a safe and caring environment in which they can flourish and grow strong.

Your concern for the abused children in our care shows us that there are compassionate individuals such as yourself who care about providing a safe and secure environment for these children and doing all that can be done to prevent abuse and neglect in our community.

Thank you, your support will truly make a difference in their young lives.

Sincerely,

Thomas J. Tomczyk
President/CEO

Thank you for your generous support!
