Dear Pier,

On behalf of Tufts-New England Medical Center and Floating Hospital for Children, I would like to thank you for your gift of \$500 in support of Paula Vassallo for the 5th Annual Tufts-NEMC HarborWalk.

The HarborWalk has become a very important event for our Medical Center as it raises hundreds of thousands of dollars each year to support numerous programs throughout the hospital. In the past, crucial funds have been raised for Floating Children's Cancer Center, breast health, metabolic disorders and for the overall daily operation of the hospital. This year, we hope to raise over \$250,000 for these programs and others. Your gift goes a long way in helping us to achieve our goal.

Thanks again Pier for this wonderful gift and for all of your support. It is greatly appreciated.

Sincerely,

Becca Romish
Special Events Coordinator
