To the entire Milano Brothers Staff:

Thank you so much for your generous donation to the Firefighters' Charities. This money will be donated to the families of the New York City Firefighters who lost their lives on September 11, 2001. To date, our fund raising efforts have amounted to over \$160,000.

Again, thank you for your generosity. We appreciate your support for our heroes as well as our local fire department!

Sincerely,
