Dear Mr. Milano;

Not often enough do we take the time out of our busy world and daily routines to express our appreciation. Please allow us this opportunity to voice this thought. THANK YOU ! Your kind and generous offer of assistance touched us deeply as well as your expressions of sorrow for the tragic events befallen all New Yorkers and Americans. We at FTB plan to rise from the ashes with all of our fellow New Yorkers to become symbols of freedom and democracy. Our strength comes from wonderful competitors, companies and people like you and yours. Once again, Thank you!

Sincerely,
Thomas Butler, Pres.
